**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider. The reason why is that my elderly parents live with me; many times it is very important to have choices to make for choosing competitive providers so that cost is not so expensive for budget consumers like myself. In addition, please no price hikes. Internet and telephone service are very important for communicating with all family members (many of whom we can only use the internet to communicate with). And switching over from DSL to fiber makes these connection so much better.

Thank you for your attention.
